Description	Total
<u>Re-new conservatory</u> <u>WORKS:</u> ➤ Survey ➤ Ground floor sheeted up with thick black plastic ➤ Old roof, Window boards and windows removed ➤ New windows and doors installed (Spec: Anthracite Grey outside, white inside, new external cill. Fully reinforced UPVC with Yale multipoint locking system. A rated, Argon filled sealed units. ➤ Scaffold ➤ New insulated roof- for this we've priced 3 different systems, my personal favourite is actually the most affordable of the 3 (that fairly happens), well give you plans for all 3 and the uplift in cost for the other 2. ➤ Slate effect tiles and ridges ➤ New step lead flashing ➤ Plasterboard ceiling (left ready to plaster)	£32,580.00
<u>- Supply and install new windows to rear of the property</u> - Removal of old windows - Install new anthracite outside white inside window to the rear of the property - All trimmed inside and out	£7,978.45

Description	Total
