Why hire makes sense

Flexibility

You can hire by the day, week or weekend. Delivery service is available for larger items.

Free advice when you hire

Our expert staff can advise you on the correct tools for the job. Safety leaflets and personal protection kits are available with all hire equipment.

Save money

No capital tied up unnecessarily. No repair or maintenance costs.

Save time

The right tools for the job means less valuable time wasted.

Hiring is an opportunity to try out equipment before buying

Ask for details. We have the right tools and equipment for all your needs, at competitive prices.

Safety check list

- Ask for any safety information leaflets.
- Our staff will offer expert guidance on all equipment hired.
- Use manufacturers guide book if available.
- For electrical work outside, use a transformer to reduce voltage.
- Always use a Residual Current Device 'RCD' adaptor plugged into a wall socket.
- Choose 110 volt equipment.
- Use personal protection items.

Goggles

Gloves

Hard Hat

Clothing

Ear Defenders

Face Shield

Safety Harness

Boots

Mask

Respirator

Welding Mask

PLEASE NOTE: A deposit and form of identification (eg. driving licence + household bill) will be required. All prices shown exclude VAT, delivery, blades, drill bits, sharpening charges for steels, damage caused by neglect or accident, and cleaning of plant.

Equipment is hired on the terms printed on the reverse of our hire contract. These are approved by the Hire Association of Europe of which we are a member.

Service and Repairs

We can repair your existing equipment (Petrol, Electric & Battery), we have direct spares supply from the majority of power tool manufacturers...

Such as Black & Decker, Bosch, Draper, DeWalt, Hitachi, Makita, Metabo, Numatic, Dremel, Trend, Senco, Briggs & Stratton, Echo, Honda, Husqvarna, Stihl.

We undertake the repair and service of most portable power tools and equipment. Saw chains supplied and fitted while you wait. Also a blade sharpening service.

- Service & Repairs
- All Garden Machinery Including Ride-On Mowers
- Stihl Warranty Agents
- Chain / Blade Sharpening
- Bar Grinding

Fuels and Lubricants for 2-Stroke Engines

Moto4plus

Power tool petrol developed specifically for STIHL small 4-stroke engines. User-friendly and engine-friendly thanks to fewer emissions (free from ethanol; almost no olefins and aromatic compounds). Can be kept in storage for up to five years. Reliable top performance - STIHL small 4-stroke engines and STIHL Moto4plus are made for each other; all conceivable applications have been rigorously tested.

MOTOMIX FUEL MIXTURE

Ready-mixed fuel (1:50) for all STIHL 2-stroke, 2-MIX and 4-MIX engines. Optimum performance, excellent cold start properties, maximum acceleration over the entire rpm range, flawless running characteristics even with a sudden rev change, user-friendly and engine-friendly thanks to fewer emissions (free from ethanol; almost no olefins and aromatic compounds). Can be kept in storage for up to five years. With STIHL HP ultra premium oil for exceptional engine lubrication and extreme cleanliness, fully synthetic and biodegradable for optimal performance and long service life. Reliable top performance - STIHL MotoMix are perfectly coordinated for STIHL 2-stroke, 2-MIX and 4-MIX engines; all conceivable applications have been rigorously tested.

Access Platforms

Niftylift HR12N

This self propelled boom lift is specifically designed to give maximum reach performance from the lightest, most compact base possible. A telescopic upper boom gives improved accuracy when positioning the platform and superb manoeuvrability makes it ideal for a wide range of applications.

With a 1.50m (4ft 11in) narrow chassis, it is ideal for working in factories, warehouses or anywhere that space is restricted. Its Bi-Energy option allows it to work for extended periods inside and outside, making it the perfect all-rounder.

Item	Day	Ext Day	W-End	Week
Hydraulic self propelled 2 man platform	130.00	65.00	162.50	325.00

Diesel & Battery operated - Includes safety harness

Working Height	12.20m (40ft)
Platform Height	10.20m (33ft 6in)
Machine Length	4.10m (13ft 5in)

Gradeability	25% (14°)
Min Weight	3100kg (6830lbs)
Safe Working Load	200kg (440lbs)
Working Outreach	6.10m (20ft)
Machine Height	1.90m (6ft 3in)
Travel Speed	3.4kph (2.1mph)
Turning Radius	4.20m (13ft 9in)
Cage Size	1.10m x 0.65m (3ft 7in x 2ft 2in)

All prices shown are subject to VAT

Access Platforms

Niftylift 120T Hydraulic 2 Man Platform

This trailer mounted platform is specifically designed to give maximum reach performance from the most compact chassis possible.

By utilising its versatile telescopic upper boom, it delivers unrivalled working outreach, especially at lower levels where it's needed most. Hydraulically operated outriggers make setting up both quick and easy.

Ideal for those high and inaccessible jobs - Chimneys, gable ends, overhead lighting, conservatory and lean-to roofs, decorating and repairs

Item	Day	Ext Day	W-End	Week

Machine Height	1.90m (6ft 3in)
Machine Width	1.50m (4ft 11in)
Working Width	3.55m (11ft 8in)
Minimum Weight	1400kg (3100lbs)
Cage Size	1.10m x 0.65m (3ft 7in x 2ft 2in)
Outrigger Footprint	3.55m x 3.55m

Access Platforms

Self-Propelled Scissor Lifts

Ideal for outdoor and indoor use on firm, level surfaces, providing accessibility for a wide variety of applications. Will easily pass through standard single or double doors.

Low-emission electric scissors deliver a quiet, convenient method for operation in sound-sensitive environments and zero inside turning radius offers excellent manoeuvrability in tight spaces.

Fowlers are an official Stihl agent, stocking a huge range of petrol, electric and cordless machines, for professional and home use.

From chainsaws to ride-on mowers, hedge trimmers to stone saws. We also stock a large range of accessories, consumables and spares.

We are Stihl warranty repair agents and carry out repairs in our own workshop

**You can shop in our spacious showrooms at St. Andrew's Industrial Estate, Bridport, Dorset DT6 3EX
We have a large range of power tools and equipment in stock**

STIHL®

- Powerful, cordless tools to manage your garden with ease
- Lawn Mowers, Hedge & Grass Trimmers & Leaf Blowers
- Interchangeable AK batteries work in every tool

Powerful performance, long battery life and outstanding handling are essential when tackling more demanding gardening jobs.

STIHL's AP System offers quiet, emission free performance, particularly useful in noise-sensitive areas. This extensive system with a wide selection of products with exchangeable batteries and backpack batteries are suited to large gardens and for professional use.
